Holiday Palmarim is the main one are Si Pahasada (i.e. "first [month]") and Si Pahalima (i.e month fifth), which is celebrated with full splendor in the complex Palmarim in Huta Tinggi Toba Samosir (Suharyanto, 2016, Wihlihani and Suharyanto, 2011; Suharyanto, 2019)

Democracy And Human Rights

In accordance with Our country's motto, "Bhinneka Tunggal Ika" (various However One). Diversity Indonesia’s ethnicities and religions are part from teak self nation and must recognized as something pride and abundant wealth. Diversity become more beautiful when can life side by side in a way harmonious, mutual appreciate, honor and uphold tall values diversity. Everyone should value difference so each party with diversity customs, culture and beliefs free operate custom his customs without mix hand or mix hand group or party other. Different groups should guard values tolerance and empathy as well as No can exclusive (Lubis, 2015). Democracy have role as the right way For realize right basic man. Democracy is a state instrument/tool for reach the goal of the country (Budiardjo, 2009). Indonesia's goals are appropriate with paragraph to four in opening The 1945 Constitution which reads: then than That For forming something Indonesian state government and for advance well-being general, enlightening life nation and follow carry out world order based on independence, peace eternal and justice social, then arrange it independence Indonesian nationality, which was formed in something the structure of the Republic of Indonesia which is the sovereignty of the people with based on to: Belief in the Almighty God, just and civilized humanity, Indonesian Unity, Democracy led by wisdom wisdom in deliberation/representation.

With long and concise formulation That that: 1. Indonesia has function at a time purpose, that is protect all Indonesian nation and all spilled Indonesian blood, advancing well-being general, enlightening life nation and follow carry out world order based on independence, peace eternal and justice social, 2. Necessity exists Constitution. 3. There are principles state politics viz A republic with popular sovereignty. 4. There are principles State spirituality, namely formulation of Pancasila (Arif, 2016). Human Rights Democracy Man no only limited rhetoric above paper, however must become obligations carried out fully in accordance with principle base humanity. In unitary state context Republic of Indonesia, problems right basic man has explained in a way clear and comprehensive in Preamble to the 1945 Constitution: “Independence is right the whole country...”. Opening This in a way No direct forming confidence that, people have rights basic must protected. Connection Preamble to the Constitution with Human Rights Man very closely, as The Preamble to the Constitution explains about independence all countries and destinations in Indonesia. Commitment government to right basic man must always become priority. Because right basic man set in preamble to the Constitution for ensure public can feel and implement rights the with good and right. Rights Human (HAM) is rights inherent in oneself humans created by God, binding, and not can violated by anyone. Rights Human (HAM) is set related rights with essence and existence man as creature creation of God Almighty, God's gift, as well as respected and protected by the state through product existing and mandatory laws protected, protected or arranged. Doctrine right basic man accepted in a way wide as a kind of “moral, political, and legal framework and guidelines” for build more worlds peaceful, free from fear, oppression, and injustice. Universal Declaration of Human Rights Man United Nations give recognition and protection formal law through representatives in countries around the world.

**Functions Of Religion**

Basically mission of this religion is presenting peace and harmony in life people. Talking about society and religion do not free from culture, ideology, and politics. Man is the most noble creature, a blessed creature with instinct, proportion, reason, and ability, always fight for honor, dignity, and recognition on its existence. For maintain existence, human always active and constructive strong relationship with God, who is from him religion was born. Man create society, humans who have ambition create ideology, the power of the people creates politics, and beauty man create culture. All phenomena that occur in society no free from religion, ideology, politics and culture. Religion or religiosity is decisive relationship between man with the Holy One, the rules are considered as truth genuine and intended For increase connection man with personal magic, dogma, and the rules he believes in. For align the teachings contained in this religion (Geertz, 1992). The most basic aspect of religion is system trust to God. Confidence that God is Almighty over all something that happens in nature universe, especially on every the events he experienced were encouraging man For always rely on God within his life and believe the truth (Madjid, 2000; Hakim, 2000). Therefore That’s a religious issue problem connection between man with The creator, who implemented it according to his faith and belief based on its nature as man rational who has instinct and ability decide what is the best for life they. It is clear that religion is universal phenomena and all public have method think and act as you can called religious (Fahim, 2016). Within the framework of the Unitary State Republic of Indonesia (NKRI), the governing concept connection between man with Its creator, called religion, basically arranged in Article 29 of the 1945 Constitution concerning Freedom Religious. (1) Nation This based on Almighty God. (2) The state guarantees freedom every citizen for adhere to their respective religions and worship in accordance with his religion and beliefs. Based on explanation he ignored it rights someone and is faced with
injustice Because difference confidence, so causing that person eliminated or not given chance For get what it needs, is a very fatal thing and is very serious offence. want what it should be he have (Khan, 2016).

The Sufferings Of Parmalim Religion

My first time meet with Mr. Sitrus, adherent Palmarim origin Jalan Binjai Medan District, there is highlight doubt in his eyes. Palmarim Chapel built on this site in. Member public the consists from eight living family close together and still have bond family origin from the same village in Lag Boti District, Toba-Samosir Province. Know custom traditions and customs customs that prevailed in Toba Batak at first not the best, however with weak patience and effort soft, then gatherings held in the yard Mr. Sir's house citrus finally to be the greatest, fruitful results. This area also becomes place gathering community and sharing story based on experience life they as adherent Palmarim. When we asked about their religion, initially they looks very not comfortable. We're tired interviewed, asked, questioned, that No enter sense. A few people at first pretend to be instructor and said they will helpful, but after they passed, they no care again with us. Although, candidate city council member announce will fight, no return after become board member. We still struggle, with kids being bullied at school, people getting fired from his job, even accused as devotee spirit ancestor (si pele stupid). "There is a lot of injustice! Because of the regulations government, we have to choose one of the designated religions. Our religion is group of believers to the Almighty God, the Almighty is not fair for us, we pay tax as obligation, but no our rights. "We understand it." Kids Study Then look for work, however after get job, company know their religion and them direct fired Because various reason. That does not enter sense," said Sitrus, saying with very weak voice. The students agree. Yes, participating mothers in location This." Obligation We as citizens already We fulfill, so We hope rights We as Indonesian citizens can achieved," explained Citrus. "In place otherwise, like on TV broadcasts, our uruan (leader) is not allow us to do This. 'Help do this,'" continued Manulun. To our surprise, the inauguration veil (chapel Palmarim) in attended by the head village and officials other. This matter No stop We For be here, however affairs government become the more complex. More difficult. "As far as we know, the basis of our country is Pancasila, without differentiate ethnicity, religion and customs customs."

Why are we treated like a stranger, made different and why we are Indonesian citizens?" Why do we still feel We No Indonesian citizens?" I am proud to be Indonesian," said Bol Manulun with expression face sad. "As do I say, do it What children enter high school if No There is decent job? The problem No they No competent or his diploma No appropriate, however his religion. I No do That is me No understand where the "relationship lies between religion and gender work", said Ms. Citrus. On the Population Identification Card (KTP), people who do not Want to move confidence forced write his beliefs in the "Religion" column or emptied just or using another religion. We have to lie. Is there a religion that allows it? Indonesian people lie? Mom said Manulun "In this country There is Binneka Tungal Ika and from Sabang to Marauke We The same. Although different religions, we You re welcome pay tax. As far as I remember I, Soekarno once said, "Come We pray in accordance with desire We, their respective religions and beliefs. What confidence That?" That's the belief of believers," continued Mr. Sitrus with dialect typical Batak.

Intolerance, discrimination and human rights violations

Ugamo City Palmarim North Sumatra is located in Toba Samosir, Medan City, Deli Serdang Regency, Regency Samosir, Tanjung Baray City and several area others, amount This relatively small. According to information, population public Palmarim not enough more numbering 5,000 people. Existence community This Lots used as a barometer of tolerance in Indonesia by the Indonesian government, in particular For explain diversity in North Sumatra. However in fact, society North Sumatra, especially those who participated Palmarim, always faced with reality intolerance, discrimination, and willful poverty. Although public Many of the Palmarim on KK and KTP are Muslim or Christian, however their marriage certificate published by Palmarim Hutatinggi, Toba Samosir Regency, Ragboti, North Sumatra Province. Gaps between religion and facts Actually this is what happened This dilemma is not limited. In terms of coverage in protection rights basics, Law Number 23 of 2006 concerning Management Updated Population (Adminduk), with Constitution Number 24 of 2013 is product policy the public addressed For fulfil need. From religious beliefs that exist in Indonesia, the empty religion column on the KTP is removed. However implementation instruction the No walk in accordance hope. "Not all from executor policy know what is stated in Constitution the. There are also elements stereotypes among, taker and implementer looking policy sect like That. Become heretics, atheists, even communist. Citizen Palmarim feel Can life more convenient outside Medan City, such as Batam or Jakarta. Ward place they stay No combined in Community Mutual Cooperation (STM) group. Because STM only get to know Islam and Christianity. Not again support available government. Government of lowest level until center must own perspective right basic humans,
Conclusion

The principle of divinity is stated in the 1945 Constitution includes religious beliefs. Based on meaning that everyone should have freedom For accept and worship religion according to their respective beliefs. It is right basic man. Everyone has freedom For operate confidence or whatever religion they are believe it right, and entitled on sufficient education and employment For ensure continuity life they. Palmarim religion is a religion that teaches obedience to religious regulations in society. This religion also adheres to understand monotheism, believe that god only there is One. History and content teachings Palmarim show that Palmarim like other religions teach about kindness and love love. Religion, culture and society it's not One standing unit myself, however have very close and mutual relationship support. Disclosure faith somebody through religion always follow pattern culture. Expression faith together No can separated from context culture something nation. All symbols and characteristics religious created For civilize and humanize man as creature creation of God. Confession to diversity this also delivers teak self a nation that upholds tall values stated democracy in Pancasila and the 1945 Constitution. Diversity culture and religion must maintained and developed To use advance life nation and state going to public fair and prosperous, as well uphold tall right basic man. Pancasila democracy is democracy is built on the basis of Pancasila, and whatever is done in Spirit democracy No regardless from meaning of Pancasila. Rights Human (HAM) is rights inherent in oneself man as humans created by God, their nature and substance No can violated by anyone. Religion, culture, democracy and rights basic man is one and it works The same For ensure life prosperous for people creation of God.
